

Round Barn

Rental Agreement Addendum

The Round Barn is open to the public 365 days a year from 10:00am to 5:00pm. *The loft, parking lot and restrooms must remain accessible to all visitors to the barn between those hours.*

If it is important that your event be private you must schedule it after 5:00pm. Before 5:00pm stairways to the loft may not be blocked with ropes, cones or other means. Doors to the loft must remain open to allow all visitors into the loft.

The loft doors will not be locked to protect decorations prior to 5:00pm. If you are not comfortable leaving decorations unattended you must plan to have someone in the loft to monitor them. Signs **will be posted at 5:00pm** alerting the public to your private event. At that time you are allowed to restrict access to the loft.

The handicapped parking space must remain accessible to those with disabilities at all times. This parking space must not be blocked by tents, trailers or other impediments.

I understand that the rental agreement does not include my exclusive use of the parking lot or of the loft between the hours of 10am and 5pm.
